Fato, for a perfect table

La varietà e la qualità della gamma Fato racchiuse in un unico catalogo. Un assortimento sempre più ampio, in grado di soddisfare le esigenze di bar, hotel e ristoranti.

Una raffinata sezione dedicata ai prodotti più preziosi in **Airlaid**, un'altra, **Tissue & Co.**, che racchiude i pratici e colorati coordinati per i pranzi veloci, ma anche una parentesi tutta ecologica con i nuovi prodotti della linea **Fato Natural** rivolti alle attività che vogliono distinguersi per il rispetto dell'ambiente e non solo per l'immagine.

Ai coordinati per arredare la tavola si aggiungono, infine, i **sistemi di Dispensazione**, che consentono di ridurre gli sprechi e garantire l'igiene dei prodotti erogati, sempre coniugando praticità e design ricercato.

Fato, soluzioni per ogni ambiente ed occasione d'uso.

The variety and quality of the Fato range is enclosed in a unique catalogue. A wider assortment has been created to satisfy the needs of hotels, restaurants and bars.

*A refined section dedicated to the most precious products in **Airlaid**, another, **Tissue & Co.**, which contains the practical and coloured matching sets for quick lunches. There is also an ecological section with the new products of the **Fato Natural** line, aimed at businesses that want to highlight not only their image, but also their respect for the environment.*

*We have added to our matching table sets a range of **Dispensers**, which reduces waste and guarantees hygiene of the dispensed products, combining practicality and design.*

FATO NATURAL: LA GAMMA INNOVATIVA NELL'IDEA E NEL COLORE NATURALE

La linea Fato Natural è realizzata in Fiberpack®, il materiale ottenuto dal riciclo delle fibre di cellulosa presenti nei cartoni per bevande Tetra Pak®.

Oltre alle fibre di cellulosa, i cartoni per bevande contengono alluminio e polietilene: grazie all'esclusiva tecnologia Lucart Group, questi materiali non vengono dispersi nell'ambiente, ma sono recuperati in altre attività manifatturiere.

Fiberpack® rappresenta una conquista ambientale e tecnologica che nasce dalla collaborazione fra Lucart e Tetra Pak®.

Idoneo al contatto con alimenti secchi.

**FATO NATURAL: THE INNOVATIVE RANGE
IN BOTH CONCEPT AND NATURAL COLOUR.**

*The Fato Natural line is made in Fiberpack®,
the material obtained from recycled
cellulose fibres present in beverage cartons.
In addition to cellulose fibres, beverage cartons
contain aluminium and polyethylene: thanks to Lucart Group's
exclusive technology, these materials are not
released into the environment, instead re-used
in other manufacturing activities.
Fiberpack® represents an environmental and technological
breakthrough created by a collaboration between
Lucart and Tetra Pak®.*

Suitable for dry food contact.

ECO TRENDY

Il colore avana chiaro della carta deriva dall'utilizzo delle fibre di cellulosa non sbiancate presenti nei cartoni per bevande Tetra Pak®, fibre che mantengono il colore naturale del legno. È un colore sobrio, raffinato e si sposa facilmente con l'arredo dei locali.

Fato Natural rappresenta la soluzione eco-trendy per i locali che vogliono distinguersi per il rispetto dell'ambiente, senza rinunciare all'appeal estetico.

ECO TRENDY

The light brown colour of the paper is derived from the use of unbleached cellulose fibres present in the beverage cartons, fibres which maintain the natural colour of wood. It is a plain and elegant colour which easily matches the decor of venues.

Fato Natural represents the eco-trendy solution for venues which choose to differ by respecting the environment without sacrificing aesthetic appeal.

I sistemi Fato Nap-by-Nap si rivolgono al mondo della ristorazione collettiva. I dispenser sono realizzati con un design moderno ed esclusivo ed alloggiavano tovaglioli che hanno ottenuto certificazioni ecologiche, contribuendo al rispetto dell'ambiente. Grazie all'erogazione "foglio a foglio", i sistemi Fato Nap-by-Nap garantiscono igiene e riduzione dei consumi rispetto ai sistemi tradizionali.

FATO NAP-BY-NAP: THE ECOLOGICAL SYSTEM DISPENSER + NAPKINS.

Fato Nap-by-Nap system has been designed for the catering world. The dispensers are made with an exclusively modern design and house napkins which have been environmentally certified, helping to protect the environment. Thanks to the "sheet by sheet" dispensing technology, the Fato Nap-by-Nap system guarantees hygiene and consumption reduction in comparison to traditional systems.

Tabletop e Counter

I dispenser Fato Tabletop e Counter sono ideati per locali con elevata affluenza, come mense e self service, pertanto hanno un alto livello di capienza. La scocca trasparente consente di monitorare costantemente il livello di consumo dei tovaglioli e permette, inoltre, di alloggiare all'interno del dispenser un messaggio pubblicitario. I dispenser possono anche essere fissati a muro, in caso di locali con poco spazio sul bancone.

Tabletop and Counter

The Fato Tabletop and Counter dispensers have been designed for venues with a high customer flow, such as canteens and self service restaurants and therefore have a high capacity level.

The transparent cover allows the constant monitoring of the napkin consumption level and also to internally house an advertisement or publicity.

The dispensers may also be placed on a wall, in situations where there is limited space on the counter area.
